Fold Line:
Envelope will fold on – – – – line to finished size. Avoid "front side" white borders by extending full bleed artwork past the fold line to the **Solid —— Line**.

Cut Line:
Product will die-cut on this line for fold & glue conversion.

Safe Area:
Keep all important design elements inside the green line.

Outer Bleed Area:
To avoid outer white borders you must extend your artwork past the die-cut line to the orange edge of this template.

Glue Area:
No design/artwork is allowed in this glue application area.

Important!
Don't forget to delete all template elements before submitting files.

Final Size: 3.875" x 8.875"
