

The diagram shows a rectangular template with rounded corners, outlined by three concentric lines. The outermost line is red, the middle line is green, and the innermost line is orange. The text explains the purpose of each line: the red line is the bleed area, the green line is the safe area, and the orange line is the cut line.

Bleed Area:

To avoid white borders you must extend your artwork past the cut line to the orange edge of this template. Standard bleed area is 1/8" (0.125")

Cut Line:

Product will cut on this line to finished size.

Safe Area:

Keep all important design elements inside the green line.

Important!

Don't forget to delete all template elements before submitting files.

Print Size: 2" x 3.5"

Bleed Size: 2.25" x 3.75"
